

CITY OF TORRANCE

NOTICE OF STREET CONSTRUCTION

Torrance Boulevard Rehabilitation

Dear Citizen,

On **Monday, August 3rd**, the City's contractor, Sully Miller Contracting Company will begin pavement reconstruction on **Torrance Boulevard between Palos Verdes Boulevard and Prospect Avenue**. Work hours are between 7:00 a.m. and 4:00 p.m. Monday through Friday. The work will be ongoing for approximately two weeks.

Additional street construction on **Torrance Boulevard at the intersection of Anza Avenue** will occur on **Saturday, August 8th** from 7:00 a.m. and 4:00 p.m.

TRAFFIC IMPACTS AND ACCESS

Torrance Boulevard (Palos Verdes Boulevard to Prospect Avenue)

Traffic will be reduced to one lane in each direction on a 24-hour basis during the construction. The bike lanes for both eastbound and westbound directions will be closed. Street parking on both sides of Torrance Boulevard will be prohibited. Access to side streets and driveways will be accessible during construction; however, there will be short periods (approximately 2 hours) on some days when access will be prohibited. During construction, left turns will also be restricted at intersections during construction to complete work.

Intersection of Torrance Boulevard and Anza Ave (Saturday, August 8th only)

To complete the work, **Anza Avenue will be closed at the intersection of Torrance Boulevard. All northbound and southbound traffic on Anza Avenue will be prohibited from entering Torrance Boulevard.** Also, all traffic on Torrance Boulevard will be prohibited from turning onto Anza Avenue.

Delays are expected, so we recommend identifying alternate routes when possible.

We thank you for your cooperation and patience during the construction. We remind everyone to use caution, reduce your speed and observe the traffic restrictions. Although inconveniences are expected, it is our goal to complete the work as quickly as possible.

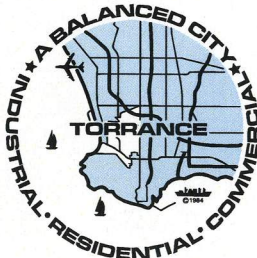

For questions or more information, please contact the following City staff:

Bill Kamimura, Project Engineer (310) 618-3078

Beth Overstreet, Engineering Manager (310) 618-3074
